

# ELECTRONIC FUNDS MANAGEMENT POLICY

Wandong Primary School

February 2021 – February 2022

## PURPOSE

The purpose of this policy is to set out how our school will manage electronic funds in accordance with applicable Department of Education and Training policy and law.

## SCOPE

This policy applies to:

- all staff/responsible persons involved in management of funds transacted electronically
- all transactions carried out by Wandong Primary School via the methods set out in this policy

## POLICY

Wandong Primary School has developed this policy consistently with the [Schools Electronic Funds Management Guidelines](#) and [Section 4 Internal Controls](#) of the Finance Manual for Victorian Government schools.

### Implementation

- Wandong Primary School's school council requires that all actions related to internet banking are consistent with The Department's [Schools Electronic Funds Management Guidelines](#).
- Wandong Primary School's school council approves the use of Bendigo Bank Limited as the approved software for all internet banking activities as individual authority and security tokens are required.
- All payments through internet banking software must be consistent with Department requirements and must be authorised by the Principal and one other member of school council nominated by the school council.
- Wandong Primary School's school council will determine how refunds will be processed.
- Wandong Primary School will undertake maintenance and upgrading of hardware and software as required.
- Wandong Primary School will ensure proper retention/disposal of all transaction records relating to accounts such as purchase orders, tax invoices/statements, vouchers, payroll listings and relevant CASES21 reports.

### EFTPOS

- The Principal of Wandong Primary School, will ensure all staff operating the merchant facility are aware of security requirements. At our school, this includes:
- School council minutes must record which staff are authorised to process transactions.
- No "Cash Out" will be permitted on any school EFTPOS facility.
- Wandong Primary School will accept EFTPOS transactions via telephone or post.

### Direct Debit

- All direct debit agreements must be approved and signed by school council prior to implementation.
- The school council requires all suppliers to provide tax invoices/statements to the school prior to direct debiting any funds from the school's account
- A direct debit facility allows an external source e.g. school's local payroll, ecomms, Finrent, 3E communications, Bendigo Bank Limited and Melbourne finance to a pre-arranged amount of funds from the school's official account on a pre-arranged date. Any such payments will be authorised as appropriate and required.
- Wandong Primary School will ensure adequate funds are available in the Official Account for the "sweep" of funds to the supplier.

### Direct Deposit

- Wandong Primary School utilises a "two user authorisation of payments" banking package, as it contains a greater degree of security and access controls.
- Creditor details will be kept up to date and the treatment of GST for creditors will be monitored.
- Payment transactions will be uploaded as a batch through the CASES21 system.
- All payments made through the internet banking system must be authorised by two authorised officers.
