

Wandong Primary School – SCHOOL UNIFORM POLICY

For period: October 2017 – October 2020

INTRODUCTION:

The Wandong Primary School Uniform Policy has been developed to ensure that students are provided with the opportunity to feel a sense of belonging to the school through the provision of a suitable, inexpensive school uniform.

Principles:

Wandong Primary School believes:

- school uniforms ensure our students are neat ambassadors of the school
- students adopt a sense of pride in appearance when wearing school uniform
- students adopt a sense of belonging to the school when wearing school uniform
- school uniform decreases comparison of popular versus unpopular clothes

Purpose:

- To provide a range of clothing that makes choices less complicated for parents
- To provide a range of clothing, through Welfare Club, that is serviceable and inexpensive
- To encourage individuality through other means, e.g: sport, the arts, etc.

The school’s response to being out of uniform:

If a child, for any valid reason, is not in school uniform, we ask parents to send a note to explain the situation.

If the student is continually out of uniform, the matter will be taken up with the parents, by the Principal.
