

VOLUNTEERS AND PRIVACY POLICY

Wandong Primary School
September 2020 – September 2023

PURPOSE

To outline the processes that Wandong Primary School will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

SCOPE

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

DEFINITIONS

Child-related work: work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

Closely related family member: parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

Volunteer worker: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

School work: School work means:

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (ie indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

POLICY

Wandong Primary School is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers.

The procedures set out below are designed to ensure that Wandong Primary School's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community. Wandong Primary School also recognises the valuable contribution that volunteers provide to our school community and the work that we do.

Becoming a volunteer

Members of our school community who would like to volunteer should approach a class room teacher, staff in the office or member of the leadership team to register interest.

Suitability checks including Working with Children Checks

[Note: The *Working With Children Act 2005* (Vic) only sets out the minimum requirements for WWC Checks. The Child Safe Standards are another law relevant to schools that requires appropriate screening measures/suitability checks to be undertaken in relation to volunteers and visitors. To ensure compliance with both pieces of legislation and Department policy, schools may choose to go above the minimum requirements under the WWC Act, depending on the nature and risk of the activities the volunteer will be engaged in. There are different options below that you can adopt to suit your school community.]

Working with students

Wandong Primary School values the many volunteers that assist in our classrooms, with sports events, camps, excursions, at whole school events, with fundraising activities and with a range of other programs across our school community. To ensure that we are meeting our legal obligations under the *Working With Children Act 2005* (Vic) and the Child Safe Standards, Wandong Primary School is required to undertake suitability checks which may include a Working With Children Check, proof of identity, work history involving children and/or reference checks.

VOLUNTEERS AND PRIVACY POLICY

Wandong Primary School

September 2020 – September 2023

Considering our legal obligations, and our commitment to ensuring that Wandong Primary School is a child safe environment, we will require volunteers to obtain a WWC Check and produce their valid card to the administration office for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised.
- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity
- **Parent/family volunteers** who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not.
- **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not.

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

Non child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, volunteering for gardening, maintenance, working bees, parents and friends club coordination, school council, participating in sub-committees of school council, fete coordination, or other fundraising groups during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have Working with Children or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. When children are present suitably registered VIT staff will be present to supervise. However, Wandong Primary School reserves the right to undertake suitability checks, including proof of identity, Working with Children Checks, at its discretion if considered necessary for any particular activities or circumstances.

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's Statement of Commitment to Child Safety, our Child Safety Code of Conduct and our Child Safety Reporting Obligations Policy. Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to Equal Opportunity and Anti-Discrimination, Sexual Harassment and Workplace Bullying.

The principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Wandong Primary School.

Wandong Primary School will provide any appropriate induction and/or training for all volunteer workers. The principal (or their nominee) will determine what induction and/or training is necessary depending on what type of work the volunteer will be engaged in.

All volunteers will be provided induction in relation to Wandong Primary School's child safety practices, including reporting obligations and procedures. Our school has a Child Safety Reporting Obligations Policy which all staff and volunteers should be aware of.

The principal (or their nominee) will determine what supervision, if any, of volunteers is required for the type of work being performed.

Compensation

Personal injury

Volunteer workers are covered by the Department of Education and Training's Workers Compensation Policy if they suffer personal injury in the course of engaging in school work.
